

**STANLEY MULTIFAMILY**  
Stand Out with **STANLEY****QGD 200 SERIES DEADBOLT**  
*Shown in Satin Nickel  
with Classic Rose*

## Attracting and retaining reliable tenants is a top priority for every property owner.

Securely stand out with STANLEY QGD 200 Series Deadbolts. These Grade 2 deadbolts are designed specifically for multifamily dwellings and retail and office spaces. Solid cast to provide strength and durability, these deadbolts are engineered to withstand high-use environments where optimum security solutions are needed.

With a complete line of interior and exterior solutions—Grade 2 levers, access control solutions, exit devices, door closers, hinges and electronic deadbolts—STANLEY has everything you need for an opening in a mixed-use facility.

STANLEY—it's the only name you need to remember. **Simply STANLEY.**

### Innovative Features

Standard

Classic

Decorative

#### **Stylized Roses**

All STANLEY deadbolts come with the option of adding a stylized rose for that extra touch. You can mix and match levers and roses to create an architectural statement about a space—right at the point of entry. They are another way to provide a coordinated design throughout an entire space, floor or even building.

#### **Advanced Safety**

This ANSI/BHMA Grade 2 lock includes an ADA compliant thumb turn for an added layer of compliance and safety.
