Q: What is the STANLEY Commercial Hardware QCI200?

A: The QCI200 is a grade 2 interconnected lever set. The QCI200 interconnected lock has an internal mechanism that connects the lock's plain latch and deadbolt latch, allowing you to simultaneously retract both with a turn of the lever. The QCI200 is equipped with an ADA thumb turn and levers designed to deliver premium performance to withstand the physical abuse of the applied environment.

Q: Who is the QCI200 customer?

A: The QCI200 is a cost-effective option for multi-family, assisted living, commercial and mixed-use applications where single motion egress is required.

Q: What functions are offered for the QCI200?

A: The QCI200 is available in 5 functions (i.e., single-locking, single-locking SFIC, double-locking, double-locking SFIC & indicator).

Q: What unique features are offered on the QCI200 that make it less susceptible to break-ins?

A: The QCI200 has a 1" latch bolt with a hardened steel roller pin inside providing saw-resistance. Additionally, the non-IC deadbolts have an anti-drill design that entails two ball bearings inserted in the deadbolt to prevent against drill attacks.

Q: What outside trim options are available on the QCI200?

A: The customer has the option of having an outside escutcheon trim or sectional trim. The QCI200 ships standard with both trim pieces. The escutcheon plate is made to fit over the sectional trim if so desired.

Q: What door thickness range can the QCI200 accommodate?

A: The QCI200 comes standard to fit doors 1-3/8" – 1-3/4" thick.

Q: What back sets are available for the QCI200?

A: The QCI200 can be ordered with a 2-3/8" or 2-3/4" back set dead locking latch. In addition, square, radius and narrow latches are available to choose from.

Q: What lever styles are offered for the QCI200?

A: The QCI200 has 3 lever styles (i.e., Sierra, Summit & Slate).

Q: Do you have to specify handing when ordering a QCI200?

A: The QCI200 is non-handed, so you can simply flip it around to fit the specific application.

Q: Does the QCI200 come with a core?

A: The QCI200 can be ordered with a Small Format Interchangeable Core (SFIC) or as Less Cylinder.

Q: What keyways are available to order on the QCI200?

A: The QCI200 is available to order with the following keyways: BEST "F" SFIC, Kwikset "KW", Weiser "E", Schlage "C", Yale "GA" and Sargent "LA". Additionally, the QCI230 is available to order with a Re-Key keyway that allows for the owner to easily re-key the lock combination from the outside without having to take the lock or trim apart. This is especially useful in multi-family applications where residents may leave and take their keys with them.

Q: What finishes are offered for the QCI200?

A: The QCI200 is available in 4 finishes: 605, 613, 619 & 626.

Q: What is the lead time for a QCI200?

A: The average lead time for a QCI200 is less than 2 weeks.

Q: What warranty does the QCI200 have?

A: The QCI200 has a limited lifetime mechanical warranty and a 3 year finish warranty. The 613 finish is not covered under the 3 year finish warranty.

Q: What is the QCI200 list price?

A: The list price for the QCI200 ranges from \$275 – \$402.
